WHO WE ARE

Soroptimist International of Oxnard is part of Soroptimist International, a global volunteer organization whose mission is to improve the lives of women and girls through programs leading to social and economic empowerment.

For more than 80 years, our club has proudly served Ventura County by investing in education, mentoring, health, and opportunity for women and girls facing life's greatest challenges.

Our members are business professionals, educators, entrepreneurs, healthcare leaders, retirees, and community volunteers united by one purpose:

Breaking Barriers. Building Futures.

Together, we create opportunities that empower women to achieve their dreams, become financially independent, and build stronger futures for themselves, their families, and our community.

OUR MISSION

Soroptimist International is a global volunteer organization working to improve the lives of women and girls in our community and throughout the world. We work to achieve this through programs leading to education, social and economic empowerment.

WHY YOUR PARTNERSHIP MATTERS

Your sponsorship is more than a donation.

It is an investment in women rebuilding their lives, girls discovering their potential, breast cancer patients receiving comfort during treatment, and families finding hope through education and opportunity.

Together, we are creating lasting change—one woman, one girl, one family, and one community at a time.
